

## NATIONAL SPORT TRUST FUND - NOVA SCOTIA CHAPTER

### FUNDRAISING AND APPLICATION PROCEDURES

#### Application

- ◆ Fundraising project applications are sent to the National Sport Trust Fund, c/o the Nova Scotia Amateur Sport Fund. Projects originating at the local club level must be forwarded to their respective Provincial Sport Organization (PSO), which will verify the bona fide nature of the club, review the fundraising goals and the proposed use of proceeds.
- ◆ The Provincial Fund Manager will review applications monthly and will verify, on behalf of the National Sport Trust Fund, the bona fide nature of the venture and the proposed usage of the proceeds. Projects over an established limit also require approval from the Adjudication Committee.
- ◆ The Provincial Fund Manager will provide written notification back to the applicant as to the status of their application.

#### Fundraising

- ◆ Solicitation of donations must not occur until approval of the project has been received.
- ◆ All solicitation letters and promotional material must be approved by the Provincial Fund Manager. Such letters must be in support of the project as a whole, not an individual project fundraising participant.
- ◆ If the project funds raised are to directly subsidize specific athlete expenses (such as travel), the organization must submit a list of the people who are to benefit from the project along with the names and addresses of their parents/guardians.
- ◆ The donor must submit the Donor Form, along with funds payable to the National Sport Trust Fund.
- ◆ Third party donations will not be accepted; other than foundation grants approved through this application process.

#### Fees

- ◆ The attached fee structure document forms part of the application. It must be signed and returned along with the project application.

#### Grant Application

- ◆ The applicant submits a Grant Request Form to apply for funding. A project report must accompany the grant request. The project report must include a financial summary detailing the revenues and expenses associated with the project.
