

NS Sport Plan review process:

The Province of Nova Scotia has approved sport activity, in accordance with approved sport guidelines.

PSOs are encouraged to review their current plan against the guidelines, and make any revisions they deem necessary.

When PSOs are ready to have their plan reviewed, they will contact Sport NS, (Jamie Ferguson).

Sport NS will work with CCH to coordinate the review of the plan, and communication back to the PSOs.

After the review is complete, PSOs will be notified that their plan has been reviewed and that their plan demonstrates the Return to Sport Guidelines, or that there are some revisions to be considered.
